

FC10^{Plus} AlcoMark[®] Kit

Lifeloc

Professional Breath Alcohol Tester

The Lifeloc FC10^{Plus} Breath Alcohol Tester together with AlcoMark, Lifeloc's breath testing management software program, offers a complete, economical solution for managing your data. Using AlcoMark on your PC, you are able to save, sort, analyze and print test and calibration results imported from your FC10^{Plus}.

Unlock the Power of Alcohol Testing

FC10^{Plus} AlcoMark[®] Kit

The FC10^{Plus} AlcoMark Kit is designed to support your breath alcohol testing and record keeping. Pairing the Lifeloc FC10^{Plus} portable breath alcohol tester with our computer database software AlcoMark, allows you to view, sort, filter and print breath test and calibration data from your PC. With the FC10^{Plus} AlcoMark Kit, you are able to take a total system approach to managing your breath alcohol testing program.

FC10^{Plus} AlcoMark Kit includes:

- FC10^{Plus} breath alcohol tester
- AlcoMark Software CD
- USB computer cable
- Protective rubber grip
- 4 AA batteries
- 10 EasyTab™ mouthpieces
- Wrist strap
- User manual
- Training CD
- Rugged carrying case
- 1 year warranty

Lifeloc FC10^{Plus} Breath Alcohol Tester

Unlock the power of the FC10^{Plus} portable breath alcohol tester, a precision instrument providing you with the fastest, most reliable results.

FC10^{Plus} Features:

- Automatic, Manual and Passive sampling modes
- 100 Test Memory
- Exceptional battery life provides up to 6,000 tests: rechargeable or standard
- Auto adjusting backlit LCD for excellent day or night visibility
- EasyTab™ mouthpiece eliminates operator contact with "wet" end of mouthpiece
- Fastest response and recovery times in the industry
- Audible and graphical breath flow and result indicators
- Password protection
- Date and Time stamping
- Ability to print results using AlcoMark Software
- Lifetime Fuel Cell Warranty*

*Fuel Cell Warranty only valid in the US and Canada

AlcoMark Breath Testing Management Software

AlcoMark is a PC software program developed by Lifeloc Technologies exclusively for use with Lifeloc breath testing equipment.

AlcoMark Features:

- Upload test and calibration results into AlcoMark database
- Customize database view
- Print test and calibration results directly from AlcoMark
- Export data to Excel, XML and Text files
- Search, sort and filter results for data analysis
- Archive test and calibration results
- Remote diagnostics
